Spring Edition - March 2020

## *Celebrating 20 Years with a New Look*

### **Opening Doors is roaring into the new decade with a fresh look.**

Opening Doors has come a long way from our humble beginnings. When telling our story, Sr. Helen Huewe would get a twinkle in her eye talking about the early days of working off a card table with our first Executive Director, Michelle Brown, laying out plans for the new non-profit.

Thanks to Sr. Helen and seed money provided by six women religious organizations, Maria House opened in 2000, followed by Teresa Shelter in 2006. The administrative staff moved into a separate office at 2100 Asbury Road in 2016. \*Francis Apartments opened in 2017, providing stable, family living for our permanent supportive housing clients. After 19 years, Michelle Brown retired and turned the Executive Director reins over to Carol Gebhart in November of 2017.

The need for our services continues to grow. With your support, we provided over 11,000 nights of shelter last year at Teresa Shelter and Maria House—up from 9,000 in 2018. We look forward to lighting pathways of hope for future women and children. We are truly thankful to our community for your

amazing support over the years. Opening Doors offers much more than a place to sleep. We provide the opportunity for women to claim their own power and self-sufficiency.

*Our new logo, tagline and web site was created by Plaid Swan. The logo design represents a happy, thankful and excited person with arms reaching to the sky.*

*\*Francis Apartments are owned by Steeple Square and managed by Gronen Properties.*

Opening Doors operates Teresa Shelter, Maria House, and a permanent supportive housing program at Francis Apartments. Women and children who are experiencing homelessness come to us to help build a new life. We provide goal planning and life skills training that will enable them to take care of themselves and achieve their full potential. We offer a hand up in the world, not a handout.

Our three doorways of hope for women and children experiencing homelessness are much more than a place to sleep. We offer the opportunity for women to claim their own power and become self-sufficient.

# From the Director's Chair

We started out the new year with great sadness over the loss of Sr. Helen Huewe. She was our foundress and was still very active in our organization. What an impact she had on our community! We miss her dearly.

2020 makes me think of VISION. Do you suppose Sr. Helen and Michelle ever dreamed that we would have served over 3,600 women by 2020? What a joy it must have been to see their dream to create and expand to Teresa Shelter fulfilled in 2006. Permanent Supportive Housing was not in existence—yet here we are with a program at Francis Apartments that helps women achieve independent, sustainable living.

While we don't have a crystal ball to see what the 2020s hold for our organization, I do know that we will never waiver in our mission and will continue to honor Sr. Helen's passion to help women and children!

## *In the Driver's Seat*

Juli rang in the new year with a full heart thanks to the generosity of our friend Louise! Upon hearing the news that she would be receiving a car, Juli said, "What a gift! I'm so excited! It's a great start to a new

year and I'm in the driver's seat! Here's to a brand new life. I am so very thankful for the car and everything. I didn't think I'd be getting a car any time soon, but here I am! Dreams really do come true."

## *Celebrating Milestones*

Opening Doors is so proud of Amanda for getting her driver's license! This accomplishment will eliminate a major transportation barrier in her life and she will no longer be dependent on the bus schedule for her transportation needs to day care and to her job. Amanda is looking forward to having more time in her daily schedule to spend with her children!

## *Congratulations Terry & Paula Friedman!*

Opening Doors was thrilled for Terry and Paula Friedman as they became the *Telegraph Herald's* 50<sup>th</sup> *First Citizen Award* recipient in January. This amazing duo has been at our side from the very start providing guidance and financial support.

When Opening Doors launched a \$1.4M campaign in 2011, Terry and Paula

stepped into a leadership role without hesitation. Paula served on our board of directors and committees for many years. The Friedman Group and Terry & Paula have sponsored "Attitude of Gratitude" since 2004. Paula's beautiful handcrafted mittens are always a hit at the annual gala! Each one is as unique as a snowflake! We are so grateful for their support!

## *Magical Harmonies*

HOLIDAY HARMONIES was an evening of women supporting and empowering women in need! This collaboration with the Northeast Iowa School of Music on December 17 featured Heartland Harmony Dubuque under the direction of Teresa Slade, guests Shirley Davis Orwoll, Sue Kalb, Deb Stevens, and "4 AM," a quartet of Hempstead High School students. Guests donated cash and over 150 Wish List items for Opening Doors! Many thanks to Westminster Presbyterian Church for lending us the use of their beautiful sanctuary.

Those that support this fundraiser carry on Abby's legacy to help others who struggle with substance abuse so that her impact on the world will be visible in the hearts of all who loved her for years to come.

*Shine Your Light for Future Generations!*

Touch the lives of women and children experiencing homelessness in our community by leaving your legacy with a planned gift to Opening Doors. Gifts during your lifetime can also empower lives! A bequest is the most common and easiest way for you to make a planned gift through your will or revocable trust. IRA owners who are at least 70 1/2 can make a tax-free charitable contribution with the RMD (required minimum distribution). You can also name Opening Doors as a beneficiary of a 401(k), IRA or life insurance policy.

*Be sure to consult with your financial advisor or attorney on how to design a customized planned gift.*
